

**I saved one dog and it didn't change the world, but surely the world changed for that one dog.**

Piper is a sweet girl who needs a loving home. She is 8 months old, and very smart. She is very energetic and loves to play. She has had a rough start but that hasn't gotten her down. She gets along great with other dogs, and very curious of cats. She is crate trained, housebroken, spayed, microchipped, and up to date on vaccinations.

I'm very well behaved and bark when I have to go potty. My foster mom says I'm the sweetest thing on four paws. I am very affectionate, and love being loved on. I am housebroken, crate trained, up to date on vaccinations, and spayed.

**Amber**

My name is Amber and I'm a very pretty girl. My foster mom just loves the way half of my face is brown and the other half is white. I'm with my brothers and sisters. I love toys and LOVE playing in water. I am up to date on vaccinations, spayed, and micro chipped. I love people and other dogs.

Hi Everyone!  
My name is Annabelle.  
I am a very sweet and cuddly Beagle. I am looking for a family of my very own, maybe one with kids that will play with me.

“We hope to make people realize how totally helpless animals are, how dependent on us, trusting as a child, that we will be kind and take care of their needs. They are an obligation put on us, a responsibility we have no right to neglect, nor violate by cruelty.”
